AÝNA OFFICE CHAIR

PIQUERAS Y CRESPO

Aýna

The Aýna is a timeless classic of office chairs.

The Aýna chair manufactured by Piqueras y Crespo has a wide range of configurations with permanent or asynchronous contact mechanism. It is also available without armrests, with fixed or adjustable armrests.

An office chair to your taste that can be upholstered in more than 25 colours, both in fabric and in imitation leather.

WHY AÝNA?

Look for the value in your origin

The Village of the Film. Although perhaps the younger ones do not remember it, Aýna was the setting for *Amanece que no es poco* by the director José Luis Cuerda.

The La Mancha Swiss nestled in a natural balcony that begins the Sierra del Segura. An essential destination for hiking and nature lovers.
