PIQUERAS Y CRESPO

# Orgaz

The Orgaz model offers a clean and elegant design with its wrap-around PVC backrest shape, available in four colours.

The option of adding seat cushioning for added comfort makes the Orgaz chair suitable for both meeting and breakout spaces.

It is also available in a 2 to 5-seater bench version, making it ideal for use in waiting areas.

# WHY ORGAZ?

## Look for the value in your origin

Orgaz, a village in the province of Toledo, is hidden in the plains of the Montes de Toledo.

Its old quarter of whitewashed houses, coats of arms carved in stone and monuments worthy of a visit with the tranquillity of its cobbled streets.

An ideal village for travelling back in time.
